

Christopher DeMato
The Atlantis Group Worldwide
5440 N. Cumberland, Suite 230
Chicago, IL 60656

Dear Colleague,

The Atlantis Group Worldwide is a multi-dimensional agency specializing in investigations, private protection, surveillance, security, and intelligence gathering & analyzation. Our team consists of current and former members of the law enforcement, military, government, and private sectors. Chicago based, we are currently employed by individuals, corporations, and government agencies to provide a wide array of services.

In conjunction with your Criminal Justice Department, TAGW seeks to create a paid internship position for qualified individuals contemplating a career in law or criminal justice. This is an excellent opportunity for hands-on learning through various dimensions of fieldwork, after receiving in-house training on surveillance methodologies, evidence gathering, report generation, and lawful operation. Interns will learn about the law by being involved in all aspects of its practice, from client consultation to investigation to litigation and testimony. This challenging and substantive experience will better prepare and enable them to make a full-time transition to private, municipal, state, or federal positions. Additionally, they will create long-lasting relationships with the very best in the profession.

Qualified applicants will currently have a GPA of 2.0 or above, pass a criminal background check, possess a valid driver's license, and sign a letter of confidentiality with respect to current and pending investigations. Additionally, they will be in good physical health and ideally have a reliable means of transportation. Because of the sensitive nature of the work, we strive to create dynamic relationships with our interns that foster our core values of loyalty, respect, and integrity with respect to client relations and operational procedures.

Online applications for your students and greater details are available on our website, www.theatlantisgroup.us.

We will work with you to make this internship a most rewarding one for your students, and look forward to furthering a relationship with you, your colleagues, and your school.

Thank you for your time and consideration in this matter. We look forward to hearing from you soon.

Professionally,

Christopher DeMato, Chief Operations Officer/Internship Director
